Disparti Law Group, on behalf of more than 25 victims, is filing a lawsuit against Brandon Ellington (A/K/A: Brandon Mr. Finance) and his company, Access Capital. Ellington convinced countless vulnerable individuals to take out high-interest loans and hand over the money to him in exchange for a big return. But that return never came and his clients were left paying off big loans. Disparti Law will be filing the lawsuit on Tuesday morning and will join many of the clients at a press conference at 10:30am at Disparti Law Group.
